Lighthouse Montessori is one classroom, 25 children, year-round, all-day school practicing the philosophies of Dr. Maria Montessori and Positive Discipline. We are **a small, tight knit community** with active, involved parents and a highly communicative, engaged staff. Lighthouse offers a community of real support and collaboration. We believe that, just like children, adults work best when given the right combination of independence, trust, and coaching, and we are looking for an assistant eager to bring their full self to work each day.
